### Subsector B18: SCAFFOLDING

---

Subsector : B18 Registration Date : 2012-12-14  
 Organization : SN  
 Country : Norway  
 Project ID : NOT12012/0002 Project Established  
 ICS : 91.220  
 National Ref : prNS 9700  
 Title : Scaffolds - Requirements regarding use, training and building  
 Scope : This standard specifies technical requirements for materials, and installation of scaffolding, in accordance to the requirements set out in the current relevant EN standards. This standard specifies curricula and training requirements for personnel working on or with scaffolds, such as users, scaffolding builders, supervisors and inspectors. It specifies requirements that lead to approval/certification of personnel and establishes requirements for training companies. The standard also specifies requirements to several tasks regarding use of scaffolds, such as inspection, maintenance, instructions and change of scaffolding. Regarding mounting, dismantling and covering of scaffolds, the standard specifies requirements for design and calculation, control, reporting, maintenance and marking.
